

**Final** Applegate Sustainable Aggregate Project 3/7/2009 1:19 PM  
March 12, 2009 1:00—4:00 pm  
RVCOG Conference Room, 155 N. 1<sup>st</sup> Street, Central Point

**Purpose:** The Oregon Solutions Project Team for the Applegate Sustainable Aggregate Project will identify and procure necessary information, studies, and/or analyses to determine if, how, when, where, and to what level gravel can be removed from the Applegate watershed while protecting aquatic and riparian resources.

**Attendees:** Attendee List – see email

**Please read:** [http://www.orsolutions.org/docs/OSARC\\_DoC\\_July06.pdf](http://www.orsolutions.org/docs/OSARC_DoC_July06.pdf)

**Please bring:** draft statements for Declaration of Cooperation

**Additional Instructions:** Teleconference Line available: 1-800-270-1153, Code: 133804#
