Good morning everyone,

This is a reminder of our meeting tomorrow, Friday, June 28th from 1 – 4pm at the Deschutes County Public Services building, Bend; in the DeArmond room, first floor. I have attached the agenda for the meeting as well as a few resource materials.

We will have copies of the agenda and a few other handouts at the meeting. Below is a link to the BER report, the COT report and an updated link to the Oregon Solutions website that is serving as our reference materials clearing house.
