

Oregon Coast Trail Action Plan

Statewide Landowners Meeting | 28 May 2021

Project Goals

Purpose: The Oregon Coast Trail Action Plan is a project to provide agreed upon alignments, ownership, and future design and construction opportunities to complete the border-to-border Oregon Coast Trail

Working Goals

1. Address HB3149 elements in greater detail than the 2011 Connection Strategy
2. Agreement with local governments
3. Prepares for design and construction funding for connections
4. Identifies who will develop and maintain trail connections on and off state and federal lands
5. Includes robust and continuous local and regional engagement with stakeholders

Accomplishing our Goals

Goal	Action
Address HB3149 elements in greater detail than the 2011 Connection Strategy	Connections, alignment analysis, and conceptual designs and cost estimates
Agreement with local governments	Three segment and one governance Declarations of Cooperation
Prepares for design and construction funding for connections	Conceptual design and cost estimates
Identifies who will develop and maintain trail connections on and off state and federal lands	Governance Declaration of Cooperation
Includes robust and continuous local and regional engagement with stakeholders	Engagement Strategy activities, Project Advisory Group, Segment and Connection Teams, Landowners Group, public involvement

Work to Date

Engagement Strategy

Two webinars

Two open houses

Another webinar planned before end of year

Three Advisory Group Workshops

Connections

Three Declarations of Cooperation

Proposed alignments for all trail gaps

Analysis of proposed alignments

Tribal consultation

Remaining Work

Engagement Strategy

- Final open house
- Two planned Advisory Group workshops

Connections

- Conceptual designs
- Cost estimates

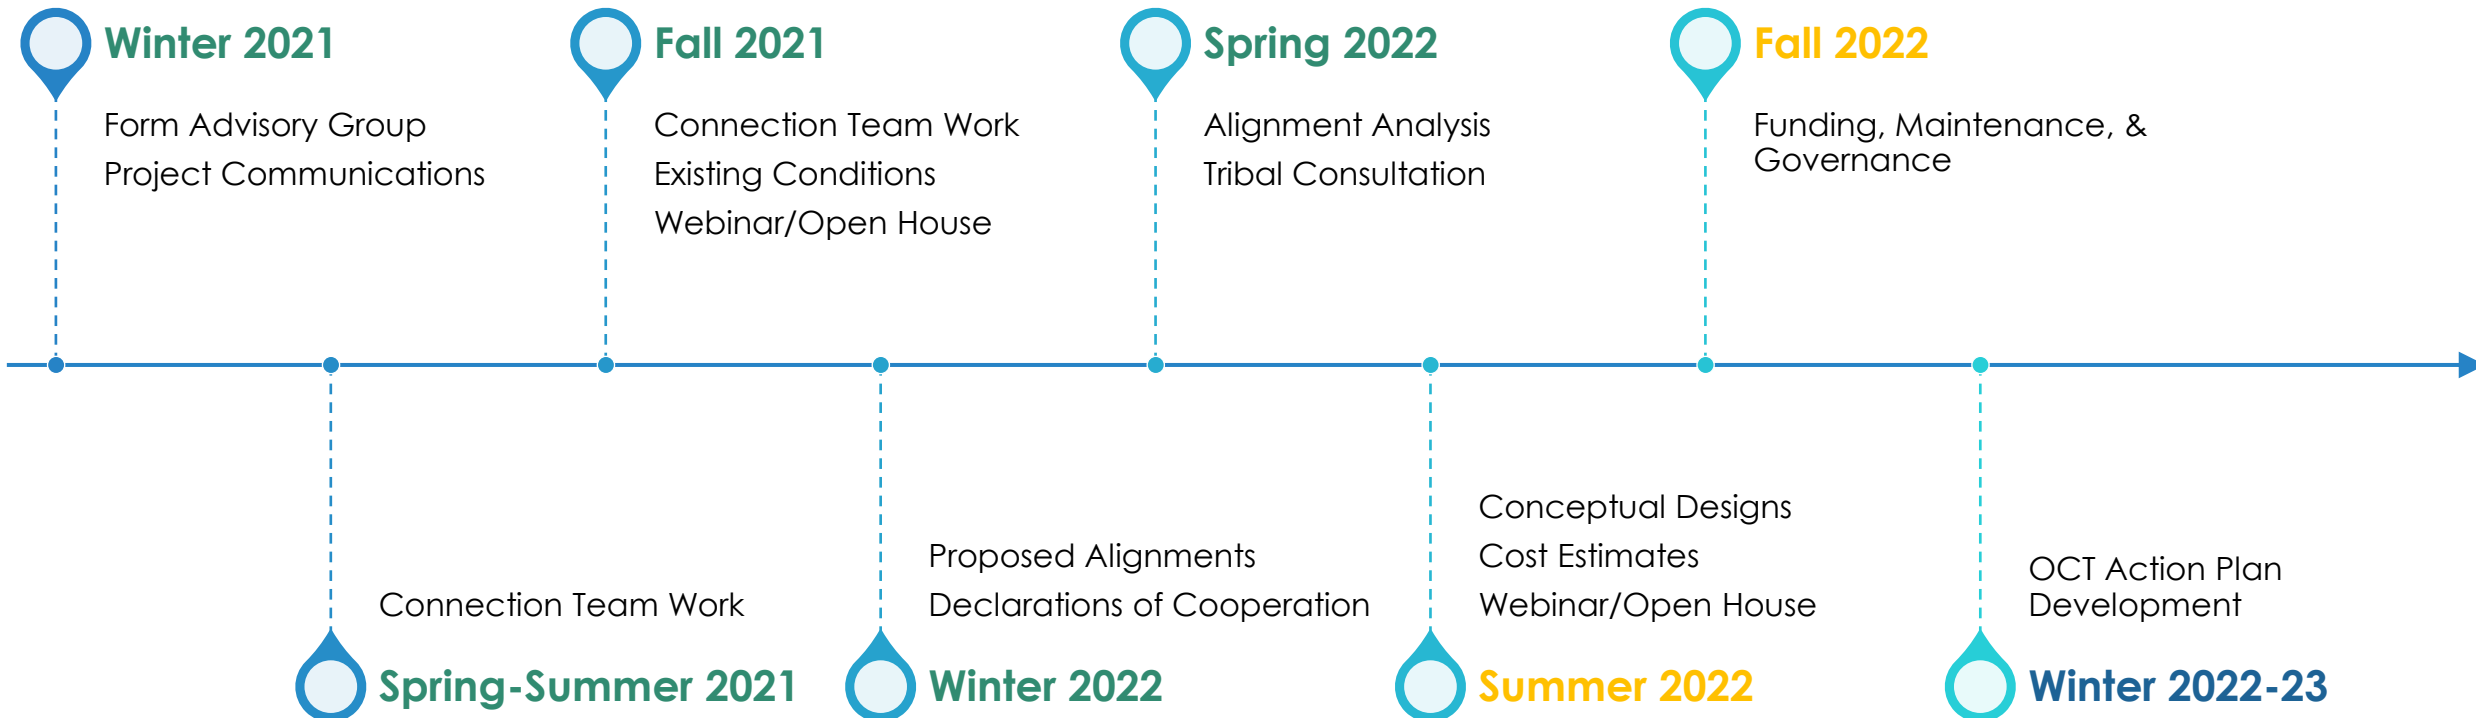

Governance

- Funding strategy
- Maintenance considerations
- Long term governance Declaration of Cooperation

Final Deliverables

- OCT Action Plan
- Final Segment Declarations of Cooperation
- Final Governance Declarations of Cooperation

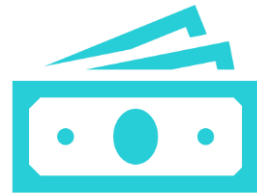

Timeline

Implementation Considerations

Individual agency
commitments

Project design and
construction funding
opportunities

Legislative session 2023
