**ADDENDUM A
Funding Formula**

The amount of dues to be paid by each member agency shall be the amount needed to fund the operations and necessary capital purchases of YCOM after all other resources are deducted from the total YCOM budget. The amount needed shall be determined by the YCOM Budget Committee and Policy Board according to applicable Oregon Budget Law.

Dues shall be allocated to each member jurisdiction on the basis of a cost-sharing split with fire users paying 15% and police users paying 85% of YCOM's total budget minus E9-1-1 'pass through' and other revenue sources.

- Assessed value shall be determined by the Yamhill County Assessor on territory outside the corporate limits of a City.
- Population shall be determined using current census data.
- Calls for service are defined as:
 1. Any activity initiated by telephone, radio or in person which causes YCOM to generate a new CAD entry that requires location, apparatus and times to be tracked.
 2. Calls that occur in a specific fire district are billed to that district regardless of whether apparatus from other agencies are included in the response.
 3. Move Ups and Mutual Aid to cover a station either within or outside a district would not be considered an additional call. Should a 'call for service' occur while covering that district/station, the district in which the call is located would incur a new call charge.

Whereas the Cities of Carlton, Lafayette and McMinnville provide fire services directly to their citizens is factored in to their user contributions.

Fire Agencies:

1. Fire agencies shall be responsible for 15% of YCOM's total budget minus the E9-1-1 'pass through' revenue.
2. Fire agencies adopted, and the Policy Board approved, a formula combining 1/3 population, 1/3 assessed value and 1/3 calls for service.
3. Percentage per Fire agency:

Amity Fire	5.57%
Carlton Fire	1.29%
Dayton Fire	7.15%
Lafayette Fire	2.97%
McMinnville RFPD	5.48%

Sheridan Fire	9.89%
West Valley Fire	9.20%
Yamhill Fire	5.29%

Law Enforcement Agencies:

1. Law Enforcement agencies shall be responsible for 85% of YCOM's total budget minus the E9-1-1 'pass through' revenue.
2. Police agencies adopted, and the Policy Board approved, a formula combining $\frac{1}{2}$ population and $\frac{1}{2}$ assessed value.
