## 928 DEQ-Odor Complaints in North Portland from 2012 and 2013

### Odor complaint totals

2012: 427

2013: 501

Total: 928

### Source and number of complaints\*

#### Permitted

Title V Daimler: 301

Title V Vigor: 78

Title V Kinder Morgan: 6

ACDP Bushwacker: 53

ACDP Malarkey: 18

ACDP Sun Brite: 1

#### Non-permitted

Baker Commodities: 4

Green Star Auto: 4

Bee Industries: 3

Cascade Rubber: 2

Altura

Christ Memorial Church

Clean and Clear Auto

Indoor Billboard NW

Lil Bit Recycling

Portland International Raceway

Schnitzer Steel

Trillium Lumber

WEVCO

Resident burning/fireplaces: 27

Total known source: 506

Total unknown source: 422

### Reconciliation

Total: 928 (down from 969 because we deleted 41 complaints not involving odors [solid waste, water quality, asbestos])

Daimler: 301 (down from 403 because we originally counted 102 "Swan Island" as Daimler)

Unknown: 422 (up from 379; + 102 Swan Island - 32 non-odor - 27 known smoke sources)

\*Attributions of odor sources were provided by the complainants.
